Autumn Term

Friday 7th September 2018

Dear Parents,

Welcome back everyone! I hope you all had a lovely summer break.

A really warm welcome to our new Nursery and Reception pupils and their parents—we are excited and look forward to working with them all as their children begin their educational journey with us.

Once again, during the summer break, there were further improvements to our premises:
- The Early Years outdoor area has new garden equipment
- The whole school electrical system was upgraded
- New electronic entry system to main gate and car park for added security and safety.

We are looking forward to another year of achievement, and creativity providing all our pupils with opportunities to thrive and be the best they possibly can be!

Have a wonderful weekend.

Best wishes,
Mrs Figen Bektaşoğlu
Headteacher

Medical Information Forms are available for completion from the school office. If your child requires medication to be held in school, please ensure this is handed in to the school office by Monday 10th September.

DIETARY NEEDS

If your child has a dietary need - for example a food allergy or intolerance - please ensure that you keep the school informed of any changes or developments regarding this. If we are unaware of a dietary need that your child has, please call or e-mail the school office to advise as a matter of urgency.

PARENT / CARER CONTACT DETAILS

Please ensure that you keep us informed if your contact details change.
