SCHOOL BUDGET CUTS

Dear Parents / Carers

As you may be aware, all schools have recently had substantial budget cuts. As educators, we are all acutely aware of the challenging financial climate within which we are trying to provide exciting and interesting learning experiences and outcomes for our pupils.

At Coppermill we pride ourselves on our broad, balanced and enriched curriculum, which enhances our pupils learning and opportunities. This encompasses activities - which the school funds and / or heavily subsidises - such as school trips, in-school educational workshops (e.g. African drumming, animal zoo, suntrap, poets and authors) and lunchtime and after-school enrichment clubs.

During such times of pecuniary uncertainty; collaboration and collective strength is more important than ever to ensure the financial viability of our school. I know that these trips, clubs and activities are appreciated and valued by our whole school community. As such, I do not want to be in a position whereby I would have to cut-back on providing these opportunities for our pupils. Your financial contributions, more than ever, will reduce the cost to the school and the impact on our limited school budget, thus enabling us to continue providing these wonderful learning experiences.

In addition, our school PTA also work hard to raise money which is again used to provide resources for our pupils - please continue to attend events and help out when you can.

Thank you in advance for your valuable contributions and continued support.

Yours sincerely

Mrs Figen Bektaşoğlu
Headteacher
