International Food Fayre - Feedback

Event went very well in everyone's opinion with lots of great food donated by parents and attendees seemed to enjoy. £315 (approx.) was made which is more than is usually made at this event (no raffle and fewer stalls) so all pleased to see that. £75 on drinks, £50 crafts and rest on plates of food).

Points to think about for next year:

- Some people used the craft tables for eating as there was no space left on other tables. Next year maybe position music next to kitchen (good area to stand and chat and browse records) (should Mr Jessner agree to do again) to create a space for more food eating tables.
- Rearrange food tables to savoury food comes up first?
- Charge for 5 items possibly?

Actions:

- Make sure a PTA member personally thanks those members of staff who particularly helped with the event – Mr Jessner, Ms Pytel, Ms Reed

Gen PTA Communications

We briefly discussed the idea of a school facebook page. Some members said they'd be willing to help run it though it was agreed it'd be quite a bit of work so would need to be shared. To research school facebook pages further (talk to Barncroft parents and others) and discuss further too.

Autumn PTA Newsletter

We ran out of time to discuss this.

Next meeting - Monday 16th October
