Friday 20th October 2017

Dear Parents / Carers,

What a stunning start to our academic year with a term filled with events and activities—and this week was no exception!

A big thank you for all of your extremely generous food donations which will be given to the Christian Kitchen and will make a huge difference to our local homeless community. Malcolm Patten led a wonderful assembly, as always, and spoke to the children about thinking of others.

It was fantastic to see the children presenting and performing at our Heritage Assemblies this week, representing the culturally diverse community of our school. Thank you to those that attended. I'm sure you feel as proud as I am of the performances.

It was a frightfully scare-tastic evening last night. Ghoulish fun was had by all. DJ Bex provided an exceptional playlist of tunes for everyone to boogie too. A huge thank you the PTA for another very successful event!

Wishing you all a happy half-term.

Best wishes,  
Mrs Figen Bektaşoğlu

## THANK YOU FROM THE PTA

The PTA would like to thank parents, carers and children who attended the PTA Halloween Disco last night. It was a wonderful event! Thank you for getting involved, dressing up and carving pumpkins, it really made the disco absolutely brilliant. Again we have broken previous years profit and have made a record amount of £570.

Along with the money raised at the International Evening of £300, together we have raised £870 this half term alone. All of this money will go back to the school for the benefit of all pupils. Please put the next PTA fundraising event in your diary, the Christmas Fayre on Friday 8th December is set to be another fabulous event.

A huge thank you to you all! Coppermill PTA

An hour of artistic fun was had by all at The Big Draw on Friday

We hope you all have a lovely half-term next week.

School starts on Monday 30th October at 8:50am

We have some fantastic after-school enrichment clubs taking place next term!

Most of them will commence the week beginning 30th October (Art Club starts the following week).

If your child has signed-up for a place, please kindly make payment via ParentPay by Friday 27th October.
