Summer Term

Friday 20th April 2018

Dear Parents / Carers

Welcome back to the summer term. I hope you all had an enjoyable Easter break. How lovely to come back to this glorious sunshine!

The weeks ahead look set to be exciting and eventful. Our fantastic range of after-school enrichment club provisions begin next week with more new activities including gardening, film and media and climbing! A big thank you to Miss Jago and Miss Bharj for their hard-work in organising and managing these clubs for the benefit of our children.

I would like to remind everyone about our school uniform expectations. I have seen a massive improvement and the children are proudly representing our school. Thank you for your continued support with implementing our uniform policy.

As the weather warms up, the children can also wear optional summer uniform. Please refer to the school website for more details.

Make the most of the beautiful weather this weekend and enjoy!

Best wishes
Mrs Figen Bektaşoğlu

NEW Coppermill Messenger App

Please download to save money for the school!

An exciting new service is now available for parents to ensure communication between the school and yourselves is easier and more effective.

The app is completely **free of charge** to you and can be installed on your mobile phone or tablet. It currently supports both Apple iOS and Android devices (with Windows mobile to follow) and you'll be able to see any messages that the school has sent regarding your child.

If you have children in different schools and those schools also use **Groupcall Xpressions**, you will be able to view information on multiple children within the same app.

What do I need to do now?

Please ensure that we have your correct mobile number and e-mail address on our school database, to ensure that you can use the new app in the new term. Forms are available from the school office to check and update your details or simply email them to the school.

You'll need to make sure you keep these details up-to-date in future to maintain access to the service.

Downloading the app

Please go to the Apple/Google Play store and search for **Groupcall Xpressions**. Once downloaded, you will need to log in with the same email address and phone number that you have given the school.

What happens next?

From next term, all text messages and e-mails from the school will show via your Groupcall Expressions app (once it has been downloaded).

Thank you for your support!

CLASS PHOTOS

The School Photographer will be taking class photographs on Tuesday 8th May.

They will also be taking individual photographs of the children who have joined us since October 2017.

Please ensure that your child attends school on-time and is wearing the correct school uniform.

SUNSHINE SAFETY

We are enjoying wonderful weather at the moment but would like to ensure that the children are kept safe in the sun.

Please could your child come to school with a hat and a bottle of water — clearly labelled with their name and class.

On warm days please ensure that you apply sunscreen to your child before school.

Our middy assistants will ensure that the children get some shade at periods during their lunch break.

UPCOMING EVENTS

Tuesday 1st May

Year 6 Mars Trip to Tate Modern

Wednesday 2nd May

Year 2 Earth Trip to the Science Museum

Tuesday 8th May

COMET CLASS

LO. To know the different stages of a river

As part of Geography we have been learning about the different stages of a river. To demonstrate our understanding we have created dioramas - 3D models showing the three stages of a river, from source to mouth.
