Summer Term

Friday 29th June 2018

Dear Parents / Carers

It was an absolute pleasure to attend Miss Jones' award ceremony at Queen Mary University. She was selected out of hundreds of other Maths Coordinators across 7 London boroughs to receive this accolade. We are all very proud of her!

Thank you to all of you who attended our wonderful sports days and a special thank you to those who took part in the races.

The children demonstrated exemplary behaviour and showed excellent team spirit and good sportsmanship. I am pleased to announce the final results:

Joint 1st = The **green** and **black** teams (567 points)

2nd = The **red** team (541 points)

3rd = The **purple** team (504 points)

It was great to end the day with the races. All children who ranked in 1st, 2nd and 3rd place will be receiving a personal certificate in assembly.

Finally, a special thank you to Mrs Allan for organising the sports days.

Have a lovely, sunny weekend.

Mrs Figen Bektaşoğlu
Headteacher

CONGRATULATIONS to Miss Jones who won Primary Maths Coordinator of the Year 2017/18

We would like to say a huge thank you to Janet Cohen, owner of Victoria 2 School Uniform Shop, who supply our schoolwear.

Janet donates a large amount of new school uniform each year for our vulnerable children and she has kindly donated two £25.00 vouchers as prizes for our Summer Fayre.

Janet also came to the rescue yesterday - when lots of the KS1 children had forgotten their hats for our hot and sunny sports day - by providing us with spare summer hats for the children to use.

Victoria 2 School Uniform shop is located at 246 Hoe Street, Walthamstow (near McDonalds). Do visit Janet and the lovely team there whenever you need new Coppermill uniform, school bags, hats or P.E. kits.

WALTHAMSTOW YOUTH CIRCUS AT WALTHAMSTOW GARDEN PARTY

SATURDAY 14th and SUNDAY 15th JULY 2018
from 12 noon

Come one, come all, join us for a free weekend of heart stopping performances and uplifting workshops.

This gravity defying group of young people from Waltham Forest who love to fly, spin and dance through the sky will perform their amazing aerial skills alongside an incredible crew of international artists on ropes, straps, hoops, trapezes and teeterboard. This year's circus crew include aerialists and acrobats; Jackie le, LJ Marles, Ronan Jenkinson and Samuel Letch (Dyad Acro), Lila Lively and Clare Barret.

Inspired by the utopian ideas of William Morris and all things aspirational we begin to work on ideas for a new project entitled The Flying Machine. The Flying Machine is an aerial and cross art form performance project which hopes to animate spaces and places in our local area over the coming year. Walthamstow Youth Circus and The Flying Machine are founded by Layla Rosa local artist, creative citizen and co-curator of the News from Nowhere stage.

Some of our pupils - Omar, Lauren and Zoe - will be performing and there are two free workshops each day!
