Spring Term

Friday 25th January 2019

Dear Parents

As you are aware, we have had a very busy and eventful week due to visitors from Ofsted. The team were made up of three inspectors and, in addition, a HMI inspector who was inspecting the inspectors!

The full two day inspection was very rigorous and thorough - involving staff and pupils. We even had an unplanned fire drill which everyone managed amazingly!

I would like to say a big thank you and well done to the whole Coppermill staff team.

I held a special assembly yesterday to give the children an extra special thank you and to tell them how proud I was of their wonderful attitudes to learning and impeccable behaviour.

Thank you to all parents who completed the Parent View survey - the results were exceptional. Also, to those who took the time to e-mail or verbally offer your kind words of support.

Finally, I'd like to extend my thanks to our governors (some of which were interviewed during the process) for their strategic support.

The full Ofsted inspection report will be published in around 4 weeks time.

Best wishes

Mrs Figen Bektaşoğlu
Headteacher

Personal, Social, Health, Sex and Relationships Education

As part of our curriculum and our whole school approach to ensuring that our pupils are well-equipped in all aspects of health and social education - relationship and sex education forms part of this learning. It should contribute to promoting the spiritual, moral, cultural, mental and physical development of pupils at school and of society and preparing pupils for the opportunities, responsibilities and experiences of adult life.

In partnership with parents, we would like to invite you in to share the resources and material that will be used to support the teachers in delivering these lessons during our upcoming RSE Week.

The workshops are open to all parents / carers (from Reception - Year 6) and will be held on:

**Wednesday 13th February at
9:10am and 3:40pm**

We look forward to seeing you there!
