Spring Term

Friday 1st February 2019

Dear Parents

It's been a spell-binding week filled with potty potions, magical experiments and swooping birds!

It gave the children an alternative science learning experience, which they thoroughly enjoyed.

A big thank to Fab Science, Alan Ames (the bird man!) and to Heena Khan, our science lead, for organising such a memorable week.

Look out for our end-of-term video newsletter for footage from this week.

Governors have agreed the term dates for next academic year. Please see them attached.

Wishing you a wonderful weekend - do keep warm!

Best wishes

Mrs Figen Bektaşoğlu
Headteacher
