Spring Term

Friday 15th March 2019

Dear Parents

We're really pleased to have upgraded to new and modern playground water fountains. As drinking water is so important for the children, we hope this will encourage them to hydrate more at playtimes.

The week has been full of broad and varied enrichment including school trips to The Sun exhibition and Wonderlab at the Science Museum, a trip to an immersive planetarium experience at Forest School, Shakespeare workshops, Midsummer Night's Dream Storytelling Sessions and Fire Safety Workshops with London Fire Brigade.

A big well done to Year 2 Jupiter for their lovely assembly based on their topic of Florence Nightingale.

I thoroughly enjoyed being part of Year 4 Supernova's court scene where Prospero (Maisah) from The Tempest was on trial - accused of human rights violation against Caliban (Harry) for keeping him a slave on his island. The jury found him guilty as charged and the right honourable Judge Arribet banished him for 12 years. What a fantastic, interactive way of learning!

Best wishes
