Summer Term

Friday 26th April 2019

Dear Parents

Hope you all had a wonderful Easter break. It's been a calm start to the Summer Term and the children have settled back in wonderfully.

It was a pleasure to welcome Gail and Paul Woods from GAP Kenya - a charitable organisation that supports street children in Kenya. They (and Miss Reed) visited us today to share an assembly with the children and thank them for our fundraising efforts. We look forward to supporting them again in the future.

We are really excited to be actively participating in the Waltham Forest London Borough of Culture 2019 with many upcoming art projects - watch this space for further updates. I would like to thank Rebecca Booker (DJ Bex) for her hard work in organising the 'This is Me' project at 1B Window Gallery Coppermill Lane and to Hannah Ford for arranging the installation of Michael McKinnon's artwork.

Have a lovely weekend!

Mrs Figen Bektaşoğlu
Headteacher

Waltham Forest Borough of Culture 2019 & Coppermill Art

We were really proud to have had every child's portrait displayed at 1B Window Gallery, as part of our 'This is Me' art project. If you haven't seen it yet - do be quick - as it comes down this weekend.

We currently have the privilege of displaying in school 'Phyllotaxis' by Michael McKinnon, from the Tate Gallery. We will be using the piece to inspire art appreciation this term.

CLASS PHOTOS

The School Photographer will be taking class photographs on **Friday 10th May**.

They will also be taking individual photographs of the children who have joined us since October 2018.

Please ensure that your child attends school on-time and is wearing the correct school uniform.

Thank you all for your donations on non-school uniform day. **£140.00** was raised in total and will go towards our continued school enrichment programme.
