Website: coppermillprimary.co.uk Email: school@coppermill.waltham.sch.uk

Summer Term

Friday 10th May 2019

Dear Parents

It is the holy month of Ramadan, which is the ninth month of the Muslim year, during which strict fasting is observed from dawn to sunset. I would like to take this opportunity to wish Ramadan Mubarak to all of our Muslim families and staff.

Year 6 pupils have been working extremely hard in preparation for their upcoming SATs. I know that they will all try their best and we wish them every success.

Have a lovely weekend!

Mrs Figen Bektaşoğlu
Headteacher

EMPTY 2L BOTTLE REQUEST

As part of the redevelopment of the school peace garden, a team of Year 6 pupils are building an eco-shed made from recycled materials.

We need 2L empty plastic bottles (large soft drink/water bottles), which have been rinsed out, in order to construct the walls of the structure.

Please could any donations be given to either Mr Walden in Year 6, Miss Frank in Year 5 or handed in to the school office over the coming weeks. Many thanks!

IMPORTANT SCHOOL MEALS NOTICE

Please note that as of Wednesday 4th September 2019 the price of school dinners will increase to £2.30 per day

SUPERNOVA TRIP TO THE MUSEUM OF LONDON DOCKLANDS

Despite the rain, Year 4 had a fantastic day 'Investigating the Thames' this week - as part of their Geography topic this term.

Further information regarding these trips / events has been sent home or will be sent in due course

Reception & Nursery were very brave during their mini beasts workshop this week!

Thank to one of our parents - Martin Petto from the UK Space Agency - for the fabulous workshops for Nebula, Neutron & Jupiter this week.

The children loved hearing about life in space, seeing real space food & trying on a child-size space suit, gloves and boots!
