

Learning together, Achieving forever

COPPERMILL WEEKLY

Unity, Creativity, Empathy, Respect, Determination & Aspiration

Summer Term

Friday 3rd July 2020

Dear Parents

I hope you are keeping well and continuing to manage under the current circumstances. We have reached the end of another 'school' and home learning week.

You would have now received class information for next year and hopefully your child will be looking forward to meeting their new class teacher in September.

Today, end-of-year pupil reports were sent home and having read them, I was so proud and impressed with all of their achievements. Their attitudes, behaviour and learning are a credit to us all.

So, for now, learn from home, keep active and stay safe.

Kind Regards

Mrs Figen Bektaşoğlu

FREE FOREST SCHOOL FAMILY SESSIONS

Local Forest School providers 'Curious Wilds' have got in

touch with us to let us know they have a small amount of funding from 'Big Local' to work with a couple of families in the local area to boost their confidence with outdoor play.

The session will be in Low Hall nature conservation area - behind St James park. Each family will be given an 'Ideas Sack' full of things to use in their forest school sessions that they'll also be able to use to springboard them into outdoor play in the future.

The facilitator will be on hand for that half hour to help the family to explore the contents and give lots of ideas for how they can play and create in the woods.

If this sounds like something your family would enjoy, then get booking via the following link:

<https://ticketlab.co.uk/series/id/118/121-Forest-School-VIP-bookings> Be sure to use the code BIGLOCAL to make the sessions free of charge!

Yoga and Mindfulness classes on Zoom

One of our parents - Roushka Boyd - is offering Zoom yoga classes every Wednesday morning from 10:30-11:00am. All 5 - 8 year olds welcome!

Using storytelling, we engage our imaginations, have fun and learn to relax by practising yoga and mindfulness.

Yoga is an excellent way to improve overall mental and physical wellbeing and some of the benefits are: improved concentration and memory, increased strength and flexibility, reducing stress and anxiety

Classes are donation based or you can join for free if you are financially constrained.

For more information and how to join, please email: roushka.boyd@gmail.com

Moveable Cam Space Scene by Asya

"Robotic - who does all the household jobs" by Alfred

Homemade go-cart with wings by Leo

Conrad has been at home with bad asthma and has been missing his Year 6 classes and friends but has devoted some time (about two weeks) to solving his Rubik's cube (with help from YouTube!). Well done for persevering Conrad!
