

Learning together, Achieving forever

COPPERMILL WEEKLY

Unity, Creativity, Empathy, Respect, Determination & Aspiration

Autumn Term

Friday 9th October 2020

Dear Parents

It was truly wonderful to start and end my week with my first 'bubbles' Tea Parties for this year! The children who attended really enjoyed themselves and they impressed me so much with their polite and intelligent conversations as well as their exemplary manners - well done to them all.

A thank you to our whole school community for the continued support and cooperation in these ongoing challenging times and a massive well done to all our pupils who have adapted so well to the changes in school.

Have a restful weekend.
Mrs Figen Bektaşoğlu

Please donate food

Harvest Festival

Our Harvest Week will be taking place from Monday 12th October and we will once again be supporting Christian Kitchen. Malcolm Patten from the Christian Kitchen will be filming a short Harvest Festival video for us to show the children.

Christian Kitchen is still going out every night to feed homeless and marginalized people in Walthamstow. They do not receive any funding and rely on donations from local businesses, churches and the local community.

They cannot currently offer the option to sit down and eat but instead give out hot meals in takeaway packs. They are also operating with smaller cooking teams to enable them to work more safely. Numbers are currently reaching around 40-50 people every night.

In the spirit of Harvest Festival, we are kindly requesting donations from our school community to donate to the Christian Kitchen. Their list of 'top needs' are: Tinned tomatoes, Tinned kidney beans, Mashed potato powder, Sunflower oil, Easy cook rice, Tinned fruit, Tinned custard, Tinned mixed vegetables, Tinned sweetcorn, Tinned soup and Seasonings.

They will also happily accept tea, coffee, sugar, other tinned food, rice, pasta, and hot chocolate. No perishable foods please. Please kindly ensure that the food being donated is in-date and unopened!

From Monday, please kindly place your donations on the tables located at each 'bubble' entrance. Thank you in advance for your generosity.

CLEAN AIR DAY

Yesterday was Clean Air Day. As you will have noticed outside the school, the pavement has been widened and vehicle traffic restricted. Not only is this great for road safety and social distancing but it is also good for reducing air pollution.

According to new data, air pollution can damage children's health and educational outcomes so we are pleased to know our pupils are breathing cleaner air! Further information on how reducing air pollution can improve children's learning can be found at: www.bbc.co.uk/newsround/54424127

Go to: www.cleanairhub.org.uk to read and understand more about air pollution.

WEEKLY ATTENDANCE
